Subject: Nice to e-meet you/Hollywood Forever Cemetery

Hi Gerry,

Nice to e-meet you. I am sorry that I have not had the pleasure yet of meeting you in person, I worked closely with Will Salao. I also met and worked with Maggie during Will's paternity leave.

I spoke to Maggie this afternoon in reference to Hollywood Forever's Cinespia Movie Screenings. Maggie gave me your information and mentioned you are overseeing this area.

I was contacted by them and mentioned that they were told attendants to the screenings could no longer bring alcohol onto their private property. I would like to mention that Cinespia has been a great partner in working with the community and the LAPD Vice Unit and Senior Lead department. Our office is very much in support of their events, since we have not had a bad experience with any of their events. They work extremely well with our office and hire off-duty and on-duty police officers to monitor the screenings

They are in good standing with the Building and Safety Department (who issues a temporary special event), our office and the Police Department.

Any help in this matter would be appreciated.

Thank you.
